

- I am a disciplined and patient trader.
- I control my emotions when trading.
- I will not take trades unless I am confident with my analysis.
- I will only trade my plan if I have all my confirmations.
- I will never be greedy and overleverage my account.
- I will never fall in love with a trade.
- I do not trade for the sake of trading.
- I am a professional trader not a professional gambler.
- I educate myself daily either watching content or backtesting the strategy.
- I log all my trades so I can review how my week has been.
- I work on myself daily.
- I will never compare myself to someone else.
- I am patient and i will wait for the right opportunities
- I have a healthy relationship with money, I treat it with respect and handle it with confidence.
- I will not be influenced by news or other outside sources.
